Why Go With Monkey Conveyancing?

Not being your garden-variety Conveyancer counts - Monkey broke the old Solicitor/Conveyancer mold and purpose built a new conveyancing law firm from the ground up using the newest management models and customer service techniques.

Experience counts - Decades practising law means that with Monkey you are in the hands of professionals who know what they are doing.

The customer counts - Monkey doesn't see you as a cash carrying commodity being turned over in a numbers game of sales targets to satisfy shareholders demands. You will feel like you are our only customer.

Telling it how it is counts - Conveyancing isn't rocket science. It is a learned skill that uses technical language to do a very simple task and it relies on people, communication and management skills to get the best results - the secret is now out!

Value for money counts - Monkey is competitively priced based on value. More bananas for your buck!

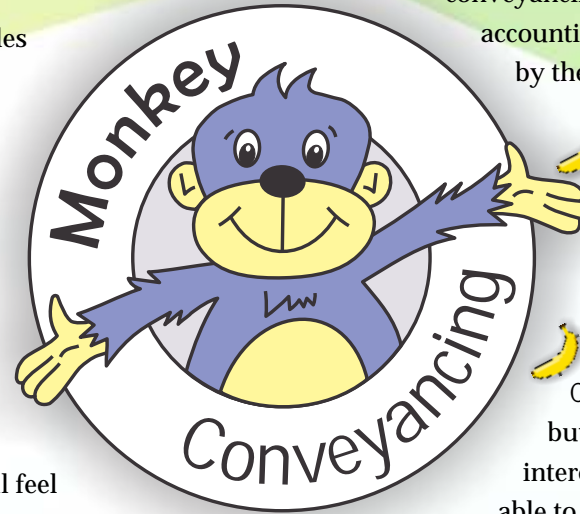

Having new technology counts - Monkey uses the latest and most advanced digital conveyancing, property search and accounting technology available, backed by the biggest in the business.

Quality service counts - Monkey knows what good old fashioned service used to be like and we deliver it today!

Being real counts - Monkey Conveyancing is not just a law firm, but we are real! We have lived interesting and varied lives and we are able to relate to your real issues and speak your language.

Integrity counts - We won't use fear, worry, doubt and uncertainty to get your business. We won't boast and exaggerate or make outrageous claims. We won't use giveaways and a cheap price to lure you in. We know that quality, security and value for money are what matter.

No Monkey business when quoting - All search costs up front! No asterisks and no hidden costs in our quotes.

We won't MONKEY you around!
